## 2013 International Tax Awards – Winners Announced

United Kingdom – 3 March 2014 – Acquisition International Magazine announce the winners of their 2014 International Tax Awards, sponsored by Brewer Morris; the taxation recruitment specialists.

These global awards recognise the outstanding achievements of individuals and companies within the tax industry, and crucially, are nominated by their clients, their professional relationships and their peers. AI's Tax Awards identify and honour success, innovation and ethics across international communities.

AI prides itself on the validity of its awards and its winner. The awards are given solely on merit and are awarded to commend those most deserving for their ingenuity and hard work over the last 12 months distinguishing them from their competitors and proving them worthy of recognition.

Sponsor of the awards, Brewer Morris' partner, Mr Mark Pryor said: "I'm glad to say, 2013 proved to be a much improved year for tax and treasury recruitment, with the start to 2014 continuing this trend. Further indicators of an improving business environment are increasing, with companies ensuring they are compliant and reducing their reliance on advisers."

This year's awards recognise over 450 winners in more than 60 countries. To learn more about our award winners and to gain insight into the working practices of the 'best of the best', please visit the AI website ([www.acquisition-intl.com](http://www.acquisition-intl.com)) where you can access the winners supplement.

### Methodology

Our winners are determined by three factors, the first of which is the number of votes received. The voting forms were distributed to the 53,000+ subscribers Acquisition International Magazine along with 18,000 tax professionals. The second factor is our substantial in-house research. This is a vital stage because we accept both self and third-party nominations. Thirdly, we ask the nominees to supply supporting documents which they feel may cement their nominations – all items we are sent are taken into consideration.
